Dear Sir,

London, 10th May 1861

I have the honor to acknowledge the receipt of your letter of the 4th inst. in relation to the proposed extension of the London and North Western Railway, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Sir, very respectfully,  
Yours truly,  
J. W. Smith

The first of the most important principles of the American  
 Government is the separation of powers. The executive, legislative,  
 and judicial branches are each given distinct powers and  
 responsibilities. This system is designed to prevent any one  
 branch from becoming too powerful and to ensure that each  
 branch can check the others. The executive branch, headed by  
 the President, is responsible for enforcing the laws. The  
 legislative branch, consisting of the House of Representatives  
 and the Senate, is responsible for making the laws. The  
 judicial branch, headed by the Supreme Court, is responsible  
 for interpreting the laws and ensuring that they are applied  
 fairly. This system of checks and balances is a fundamental  
 principle of American government and is one of the reasons  
 why the United States has been able to maintain a stable  
 democracy for so long.

Dear Mr. [Name] [Address]

I have the honor to acknowledge the receipt of your letter of the [Date] and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

I am, Sir, very respectfully,  
Your obedient servant,

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system of equations (1) has a solution for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

Re: H.A. WEISS

Admission:

Mr. Weiss, before I ask you any questions I want to warn you of your Constitutional rights, in plain words, to explain it to you, you don't have to answer any questions I ask you unless in your own way you wish to answer questions of a certain kind.

And I want you to understand that any statement which you give hereafter may be used against you and that you should be informed, and I want you to understand that any statements you give now are made voluntarily and without any coercion of any sort; is that clear?  
Yes, it's perfectly clear to me--I mean, it's perfectly clear to me, the consequences of it are that any statement I give, but I don't want to say, there are possible consequences, right? It's consequences.

In the first place, are you a member of the Party?

No, I am not.

Never have been?

Never carried a card or any thing?

Any other questions?

I don't have any other questions, in the paper.

Q. Now, did you see him?

- Q. What are they?
- A. I could say somewhere above 31st Street on 31st Avenue.
- Q. And 31st on 31st Avenue.
- A. Yes, I found some other things.
- Q. What are they?
- A. I found some other things.

(Off the record discussion)

Q. Now, Mr. Ladd,

Q. You mentioned something about having seen a man who resembles Mr. Rosenberg on the morning of the first Sunday in February, 1950.

A. I saw the resemblance Julius Rosenberg who was known at the apartment building place. Was he smoking a cigar?

Q. He was smoking a cigar.

Q. I show you a picture of Julius Rosenberg.

A. Of the two photos, the full-faced one, looks very much like him.

Q. I show you another.

A. This looks like him also.

(Stenographer marks Exhibits 2 and 3, with initials and date)

Q. The record to indicate that the witness has identified Exhibits 2 and 3 as the person whom he has seen at that particular rendezvous.

A. In Exhibit 3, the right-hand picture, was clearly resembled the man whom I believe I saw on the first Sunday in February, 1950.

Q. Can you describe the way this man was dressed?

A. Yes I can. I believe that he wore a top hat, worn shoes, possibly black shoes, a brown suit or a dark one which was somewhat dark in color and a light-colored brown overcoat which may have had a rough finish to it. In passing me, he passed somewhat closely at my elbow. He was smoking a cigar.

(Off the record discussion)

Q. Now, for the first time, did you not identify this person as the first Sunday in June, I believe, 1945, was the third of June, 1945.

Q Now, what?

JUN 1965

Q Where did you meet him?  
 A That was in his apartment in Albuquerque, New Mexico.

Q When was Government Exhibit 6, A-637, the one that exhibits appears to be the same man you saw in that photograph?

(Stenographer marks pictures, Exhibits 4 and 5)

A The right-handed photo on Exhibit 4, last picture, the one that was when I was since identified as Paul Greenglass.

(Mr. Lane is interpreted by stenographer call)

(Stenographer told to mark Government Exhibits 7 and 8)

Q Now, did you meet Mrs. Greenglass at the same time?  
 A Yes, I did.

Q When was Government's exhibits 6 and 7 the same man if these are pictures of Paul Greenglass?

A Yes, these are the photographs of Mrs. Greenglass. She is the which most closely resembles her is the left-hand one, Exhibit 7.

Q When did you say the meeting took place?

A In the first half of June, 1945, and I believe the date was the third of June.

Q How did you happen to go to Albuquerque, New Mexico?

A The occasion was an offshoot of a previous meeting which I had had on Saturday, June 2, at about 7:30 p.m. in Mexico, with Mr. Elmer Parks.

Q Was this been covered before?

A This has been covered before in great detail.

(Off the record discussion)

Q Who gave the instructions to go and see Greenglass?

A They were given to me by a man whom I knowed well and whom I have since identified as Anatole Robert V.

Q What and where did he give you those instructions?

A At a bar near Third Avenue - near 48th Street.

Q When?

A They were given to me on Saturday - on the second Saturday in May.

Q 1940?

A 1945.

- Q What happened then?
- A It was at this time that I was going to meet someone that we might verify that I was going to see this fellow John. Before this meeting at the bar on Third Avenue, I had no indication that this fellow John was a side regular. I said I was going to see John's office had been arranged in Cambridge, Mass., but I did not know ... have any idea of what was going to happen there. This was a result of a side meeting.
- Q You are talking about this meeting on Third Avenue in February of 1965 when you went there - is that right?
- A Yes, I did you say to this fellow John.
- Q This meeting at the bar on Third Avenue had as its primary purpose the fact that I was actually going to see this fellow John to carry out a rendezvous with Mr. John Fuchs, which rendezvous had been arranged by Fuchs and myself in Cambridge in January, 1965. At this time also, John told me that there existed in Albuquerque a man who was employed in the Atomic Energy Project. I assumed that he meant a civilian. He told me that either I had seen Mr. Fuchs, that I should return to Albuquerque, or that he had already left the office. I said I had and then he said that I should return to Albuquerque. I said that I would return to Albuquerque, but this was not Mr. John Fuchs, that his life would then end, and could have the information for me. In addition, I was given the sum of \$500, and was told that should either the man or his life end, I should give it to them.
- Q That is conspicuous were the bills?
- A The bills, I believe, were in small denominations - mostly 10's and 20's, possibly a 50.
- Q Anything else?
- (Off the record side notes)
- A There was a memo of recognition that I received as follows: I was to deliver a piece of information to an irregular worker; this piece of information was to be checked by a second piece of information which I would not have. Further, I was to deliver the I brought records from the person who was in the office as Ben in Brooklyn. The piece of information was received by Yakovlev.
- Q And this all took place at the bar on Third Avenue?
- A That is correct.
- Q And what did you receive yourself for doing this?
- A I received nothing for doing this thing.

Q She said our expenses?  
A Originally, I had thought that I had paid for the cost of the entire trip myself. Since I am, I am sure that I paid for possibly all of the expenses but the amount which has been given to me by the Bureau for the February or March of 1949.

Q After you had made the trip, did he reimburse you?  
A No, he gave me the money before.

Q How much was that?  
A I don't recall. I believe it was in the \$1,000.00 to \$1,500.00.

Q Did that complete that meeting at the bar?  
A That completes the meeting at the bar.

Q From there, you went to Albuquerque?

(If the record discussion)

Q Did you meet with him at anything else at that time?  
A Nothing, and the question that I am asked is, did I meet him at the headquarters of this man and his wife?

Q Did you give him those instructions?  
A Yes.

Q What did he say?  
A He gave me the address and he told me that he was a Russian agent.

Q Did he give you a description?  
A He gave me no physical description, except that he was a Russian.

(If the record discussion)

Q I saw you Governor, it's Exhibit 6, and it's a photo of a man and woman. Is that right? Is that the man and woman that couple at the headquarters when you were in Albuquerque?  
A These two people in the photograph, Exhibit 6, are the exact images of the two people that I met in Albuquerque on the first Sunday in June, 1949.

Q What was this meeting take place?  
A There were two meetings - the first one took place at approximately 9 a.m. Sunday morning. I met both I met both Dr. Greenglass and Mrs. Greenglass.

Q Did you introduce yourself?  
A I introduced myself according to the instructions I had been given.

April 1, 1950

Q. This is the morning, that Sunday morning, when I went into the meeting, did you by any chance go to that building on the night before?

A. Yes, I did. On Saturday night, after my return from Santa Fe, I went to the place where the car had been given to me by Yekelov. I told him the location of the house in the following manner. It was about six blocks above the Santa Fe crossing of the railroad and was on the left-hand side of Central Avenue going out in the direction of the University of New Mexico.

Q. When you got there, did you meet anybody that night?

A. I met one man that night, who was about thirty and about 63 or 65.

Q. Do you know his name?

A. I do not know his name.

Q. Did you talk to him?

A. I spoke with him.

Q. What about?

A. I spoke to him on the veranda of the house and asked for the druggist. He told me they had gone out that evening, but they would be in the following morning.

Q. Did you identify yourself or tell the other man who you were?

A. No, I did not in any manner identify myself.

Q. And you left no message?

A. No.

Q. That was the next morning, at 9 o'clock, the Sunday morning; that was the time when Mr. Greenglass appeared in prison tape. Was Mr. Greenglass there too?

A. I will cover this in chronological order.

Q. What happened when Mr. Greenglass opened the door?

A. I said that I brought something from New York in Brooklyn, and I produced the irregularly shaped piece of cardboard. Greenglass said, "Oh, yes, come in" - called. I entered the room and noticed a woman there whom I recognized as Mrs. Greenglass. She was already dressed in a housecoat. I asked him, or a housedress. He went to his office and produced the matching piece of cardboard. I then asked him whether he had any information for me and he said that he did, but that he could not have it prepared until the afternoon. There then ensued a conversation between them, which the following matters were covered. I wish to say to me that his wife had arrived there some months previous, and that they were running a business.

- of funds, and that it shortly would be in position for her to join in any manner in the country. I then told him I had a couple of more questions to ask him the following day. He said, "I will know here, I believe so." He believed it was very likely. I cannot definitely say whether she was out of hearing or not, but I believe that we were still on the subject of money when she returned to the room. I believe in fact that present business dealings had been closed. Back on his face that I stated that money would be back in abundance in a short time, would then bring more money with me, he did say, however, that for the time being the \$50,000 was sufficient and would be a great aid. He then told me with great enthusiasm or rather he did begin to tell me with great enthusiasm of several other possible scenarios - that is people who might also furnish information on atomic energy. I am not sure because this was very contrary to what he had or procedure which I had developed and which I had been steeped in during my long association with the Soviets. I told him never to attempt to enlist anyone and not to think of it in any fear or manner. He spread with me. He did not say sorry or taken aback by the rebuke. He said, "Yes, I was right, that just previous to when he had at Santa Fe had been broken to the public and had been sent elsewhere, possibly to a Federal detention site. Though I am not sure of this line. There was some conversation by her. For a long time during this interval. I believe she should be that she had recalled a Julius, and I understood that Julius was a relative of hers.
- Q. You mentioned something about "you believe", didn't you state definitely whether she actually say or didn't?
- A. The word, "I believe" was an unfortunate slip. What I intended to say was I really was definite during this morning meeting that Dr. Rosenberg told me she had been and spoken with a Julius in New York, just prior to her coming to Washington in April, 1943.
- Q. Did she tell you what Julius had told her?
- A. She did not say that Julius had told her, but I gathered that Julius had knowledge of the fact that information was to be used by the Soviets to the Soviets.
- Q. This is at this location in the room, in the morning?
- A. Yes.
- Q. Did that end the conversation for the moment?
- A. This concludes the conversation in the morning with the exception of the fact that I heard her speak about 3:30 or 4 in the afternoon at the same place apartment.
- Q. What happened next?
- A. I returned to my Brooklyn home where I was at the specified hour in the afternoon. I did not see

- state the first routine was a group of 10 minutes duration. The second routine included a first interval of only about 5 minutes. At this time Greenblatt gave me an outline of the assignment and a 3 page written sheet which I took with me which contained a rough sketch of the assignment.
- Q: Did you understand the assignment?
- A: Yes, at this time in the Greenblatt's apartment.
- Q: Was there any conversation at this time?
- A: There was. They were going on, and I believe the principle conversation concerned the situation in which Mrs. Greenblatt was involved in obtaining work in Albuquerque so as to raise further funds for staying near her husband. I believe at this time there was mentioned the fact that he usually came to Albuquerque very regularly on Saturdays, although sometimes his visits to his wife were two weeks apart. Also some mention was made that they had recently had good police contacts with information from sent to them from New York. I particularly recall the mention of the fact that a small island and some national bank was.
- Q: Did that conclude the conversation then?
- A: This does not conclude the conversation since we left the apartment to continue to walk.
- Q: The three of you?
- A: Yes, and walked for several minutes, possibly two minutes about two or three blocks south of Central Avenue, but parallel to Central Avenue at which time I stopped.
- Q: Was there any further conversation about this business during the walk?
- A: I would like to mention I have omitted one item and this concerns the morning meeting. And concerns the fact that Greenblatt told me during the morning that he expected to be furnished and would take the opportunity to go back to New York. He told me I could get in touch with him about Christmas time by calling this Julius. I do not believe a last name was given, but I do recall a phone number given. However, I am unable to remember the phone number. I thought it was somewhere in the Bronx or New York.
- Q: You mean you thought the telephone contact was in the Bronx?
- A: Yes.
- Q: He did not give you an address?
- A: No.
- Q: The Bronx was not mentioned?
- A: I do not believe the Bronx was mentioned and I believe this is purely my impression that the phone number he gave me belonged to Julius.

=====

- Q. What time did this meeting take place, did you say?
- A. This meeting took place I would estimate between 10:00 or 11:00 o'clock.
- Q. Just between you and Klovlev?
- A. The only people present were Klovlev and I.
- Q. What did he say when you met him?
- A. I do not recall that he said anything. Before the first time you are the leader and the other, and at the end there was a meeting over to him the same time and he was joined from both sides and Klovlev.
- Q. Is that all that was said. Didn't you tell me that you gave him \$500.00?
- A. I do not believe that I mentioned anything about the \$500. I would like to note here that I was in the very long course in my meetings with a number of Soviet agents we had developed a technique slowly in the occasion when important information was to be passed that the meetings were to be of the briefest possible duration.
- Q. Mr. Gold I am going to take you back to the time you were at Albuquerque with the Broncklaessers. Did you just to refresh your recollection. The first time you said that you recall now that you didn't introduce yourself as David?
- A. It was a very familiar - it was a very familiar sound and my memory.
- Q. That you did introduce yourself as David?
- A. There is a distinct possibility.
- Q. When you mention to the best of your recollection that Broncklaesser upon seeing your name from which I recall he went to his wallet. Do you recall whether it was his wallet or a woman's wallet. He was a little bit of a wallet it was or are you a little fuzzy?
- A. It was a wallet; I am not at all sure whether it was a man's wallet or a woman's. I am not at all sure whether it was a man's or a woman's. I am not at all sure whether it was a man's or a woman's.
- Q. But in any event whether he got it or not, it was produced by one of them and he handed it to you.
- A. The one the person who handed it to me.
- Q. Was there any talk at all as to how you will be in the name of one of the well-known scientists?

working there.

- [illegible]

- Q. Where did this meeting take place?  
A. It was in New York.
- Q. Whereabouts?  
A. I do not believe it was in Manhattan - I believe it was in Queens - it may have been at the end of the Flushing line.
- Q. Was anyone else present?  
A. No.
- Q. What language did you use in conversing?  
A. I always spoke in English.
- Q. What did you talk about at that time - what did you say?  
A. I described the events which had taken place, the details of the meetings that Klaus Fuchs and I had, and in much lesser detail, the meeting with Greenglasser.
- Q. What did Yakovlev say then?  
A. Yakovlev merely listened.
- Q. Did he take notes?  
A. No he did not.
- Q. Of how long a duration was that meeting?  
A. That meeting was possibly 1-1/2 to 2 hours duration.
- Q. Did he give you any money or anything?  
A. No he did not.
- Q. When was your next meeting?  
A. The next meeting was possibly some time in the middle of August.
- Q. 1945?  
A. 1945.
- Q. Where was that?  
A. I cannot recall the exact location except that it was somewhere in Brooklyn.
- Q. Who was present?  
A. Yakovlev and I alone.
- Q. At night?  
A. It was at night.
- Q. What time at night?  
A. I would say about 8 or 9.
- Q. Were all the meetings about the same time?  
A. All the meetings which took place during weekdays.
- Q. At the next meeting what did you talk about?  
A. I believe we spoke only of the fact of the events which took place in September which had been arranged between Klaus Fuchs and I.
- Q. Did you discuss Greenglasser?  
A. No we didn't.
- Q. Did you discuss him in 1945?  
A. We only discussed Greenglasser on one occasion in 1945 and this was some time in I believe, October or November of 1945 - again the place was New York.
- Q. New York City?  
A. Just let me think for a moment.

-OFF THE RECORD-

- Q. I am not sure what location except that I do not believe it was New York City - it was one of the other boroughs, possibly the Bronx.
- Q. What was said about Greenglass?
- A. There was no mention of Greenglass whatever - all we spoke of was the coming of the November meeting. Once again I brought up the matter that John was now approaching and that Greenglass would possibly be returning to New York during the holiday season and did Yakovlev think it advisable to make plans to meet him. He told me that he did not think so and that very likely there would be no meeting with Greenglass in New York at that time.
- Q. Was Rosenberg's name ever mentioned?
- A. Rosenberg's name was never mentioned at any time whatever.
- Q. The only reference was when there was mention of a relative Julius?
- A. That was the only mention.
- Q. After November did you meet Yakovlev again?
- A. I may have met Yakovlev in December of 1945 and this was the last time I believe that I saw Yakovlev until in either December of 1945 or January of 1946, and this was the last time that I saw Yakovlev until December 26, 1946.
- Q. Where was that?
- A. Again at the bar on Third Avenue near 42nd Street.
- Q. How often did you go there?
- A. We met there possibly 2 or 3 times altogether.
- Q. How did you happen to go there - how did he know about that meeting?
- A. He called me at the place where I was employed - at the laboratories - Elmhurst Laboratories.
- Q. What did he say?
- A. He said this was John and I would remember him and I recognized his voice.
- Q. Where did you say you were employed?
- A. Elmhurst Laboratories of Abe Rothman Associates, 533 57th Avenue, Elmhurst, L.I.
- Q. How did he introduce himself?
- A. He merely stated that this was John and I could recognize him.
- Q. Did Rothman know about this?
- A. Rothman never knew about this.

You have a right to stop answering any questions that might tend to incriminate you, and you understand that these rights are yours and you are a subsequent prosecution. Is that understood?

A. Yes.

Q. And you are advised that this is your right to stop answering any questions?

A. I agree with that.

Q. Will you tell us where you were born and raised?

A. I was born in New York City on March 2, 1942.

A Aberdeen, Maryland for basic training and what the training they wanted to give me.
